Cardholder Agreement

In this Agreement “you” and “your” mean the Primary Cardholder and each Authorized User. “We” and “us” mean HSBC Retail Services Limited. Read this Agreement carefully and keep it so you can refer to it later. You acknowledge receipt of a copy of this Agreement at the time of signing the application and prior to the extension of credit. Signing, activating or using your Card or Account number means that you have read this Agreement and accept its terms. All of you are, individually and together (solidarily in Quebec), responsible under and bound by this Agreement.

Where there is an Authorized User(s) on the Account, each such individual acknowledges that Account statements and other mailings will be sent to the address of the Primary Cardholder and each of you are deemed to have received the statements and mailings sent to such address.

All references to “interest” mean “credit charges” in Quebec. Some words in this Agreement are capitalized because they have special meanings. Please see Section 23 for an explanation of these words.

1. Card use

You may make Purchases using your Card and any other type of Transaction that we allow from time to time. You authorize us to charge your Account with the amount of each Transaction. If you use your Account number without presenting your Card to make a Transaction (such as Purchases by telephone, mail or online) we treat the Transaction the same as if you had used your Card and signed a sales slip. You must sign your Card as soon as you receive it. You may not use your Account for any illegal, improper or unlawful purpose.

2. Credit limit

You must not exceed your credit limit at any time. However, we may permit your Total Debt to exceed your credit limit from time to time, and you hereby authorize us to do so. Your credit limit is shown on your Card carrier and Account statement. We may change your credit limit at any time without notifying you in advance. You hereby request any credit limit for which you may qualify.

3. Liability for the Total Debt

The Primary Cardholder is liable for and will repay the Total Debt, including any indebtedness incurred by an Authorized User, any family member or any other person to whom you have given either express or implied authority to use the Card or Account.

4. Waiver of interest charges

Interest begins to accrue on Transactions under the Regular Credit Plan (including the Low Interest Rate Offer) from the date of the Transaction until the date we receive payment in full. We waive the interest charges on new Purchases made under the Regular Credit Plan and fees which appear on your Account statement for the first time if your New Balance is paid in full by the due date shown on that statement. Even if your New Balance is paid in full, residual interest may appear on the following month’s statement.

5. Interest calculation

Interest is calculated separately for each Credit Plan. The total interest for the billing cycle is the sum of the interest for each Credit Plan. The Regular Rate is shown on the Disclosure Statement. The applicable interest rate for each Promotional Credit Plan is disclosed in the promotional materials and/or sales slip. The rates also appear on your Account statement and are subject to change (see Section 18).

Interest is calculated monthly, not in advance, on the average daily balance for each Credit Plan in that month. The “average daily balance” is the sum obtained by dividing the aggregate of all daily balances (in the applicable Credit Plan) over the monthly period by the number of days in that period. Interest is charged both before and after demand, default and judgment.

6. Fees

You authorize us to charge your Account, where applicable, with the fees shown on the Disclosure Statement and any additional fees for any Promotional Credit Plans. We reserve the right to waive any fees, at our discretion.

7. Special Programs

Promotional Credit Plans may be offered from time to time as specified prior to or at the time of purchase. Such offers are subject to the terms of this Agreement and any additional terms and conditions contained in the promotional materials and/or sales slip.

For all offers: Subject to credit approval. Account must be in good standing (see Section 9).

For "Equal Monthly Payment with Interest" Offer: Equal monthly payments are determined by applying a special repayment factor to the amount financed based on the specified offer period. The repayment factors are outlined in the Disclosure Statement. If any monthly payment is not made by the due date, the promotion terminates and interest at the Regular Rate applies to the unpaid promotional balance that is outstanding.

For "Equal Monthly Payment, No Interest" Offer: Equal monthly payments are determined by dividing the amount financed by the number of months indicated in the offer. Interest is waived if payment of each monthly installment is made by the due date. If any monthly payment is not made by the due date, the promotion terminates and interest at the Regular Rate applies to the unpaid promotional balance that is outstanding.

For "No Interest, No Payment" Offer: Payment in full is due at the end of the "no payment" period. Annual interest rate of **0.0%** until **25** days prior to the promotion due date when interest begins to accrue at the Regular Rate, but is waived if payment in full is made by the due date.

For "Same as Cash" Offer: Interest accrues at the Regular Rate from the date of Purchase, but is waived if payment in full is made by the promotional due date. For Quebec residents, minimum monthly payment is required and calculated in the same manner as the Regular Credit Plan.

For "Low Interest Rate" Offer: A reduced interest rate will be applied to new Purchases for the specified promotional period as long as the total Minimum Payment is paid when due each month. All other terms that apply to the Regular Credit Plan apply to Transactions made under the Low Interest Rate Offer.

Promotional Credit Plans will terminate in the event that you do not comply with the applicable terms of the Promotional Credit Plan or your Account is not in good standing. Transactions that do not fall under a Promotional Credit Plan and the remaining balance under a Promotional Credit Plan that has terminated or expired are treated as Transactions under the Regular Credit Plan.

8. Minimum payment

You may pay your Account balance in full at any time. However, each month you must pay at least the amount shown as the Minimum Payment by the due date shown on your Account statement. The Minimum Payment is calculated as follows (rounded to the next higher **\$1** amount):

- the minimum payment required for your Regular Credit Plan Balance (including the Low Interest Rate Offer), calculated in the manner outlined in the Disclosure Statement; plus
- the greater of **\$10** or the minimum payment required for each Promotional Credit Plan (see Section 7).

In addition, past due amounts and any amount exceeding your credit limit are included in the Minimum Payment. Payments do not automatically adjust your available credit. This generally occurs within **2** to **4** business days following receipt of payment, depending on how payment is made.

9. Good standing

Your Account is considered to be in good standing when you are in full compliance with all terms of this Agreement. Your Account will not be in good standing if you fail to make any Minimum Payment (as shown on your Account statement) by the due date or fail to comply with any other term.

10. How we apply payments to the Total Debt

Unless we notify you otherwise (including in connection with any Promotional Credit Plan), we apply payments in this order: interest; insurance premiums; service fees; annual membership fees and tax on insurance premiums; and Purchases. If you have paid more than your New Balance, we will apply the extra payment in this order: Purchases; interest; service fees and applicable taxes on insurance premiums; insurance premiums; and annual membership fees.

If you have a Promotional Credit Plan with deferred interest, in the month that the promotion is scheduled to expire, if you make a payment that is equal to or greater than the balance under such Promotional Credit Plan, your payment will be allocated to that balance first and then to the remaining balance in the order outlined above. If you have any questions about the allocation of payments, call Customer Service at the telephone number on the back of your Card.

11. Account statements

Each month we send an Account statement to the Primary Cardholder's address. We do not issue an Account statement if there is no outstanding balance and no Transactions have been charged to your Account. In addition, for any Promotional Credit Plan where payments and interest are deferred, we will not send a statement in any month where no Transactions have been charged to your Account (where permitted by applicable law). The number of days covered by an Account statement is between **28** and **33** days.

You must tell us in writing, no later than **30** days following your statement date, of any error or omission in your Account statement. Otherwise, you agree that your Account statement is correct, except for any amount that we have improperly credited to your Account which we may reverse at any time. If we are delayed in or prevented from sending Account statements for any reason you must contact us at least once a month to obtain the information required to meet your payment obligations.

12. Card benefits and optional services

We may make special services or benefits available to you which may be subject to additional terms and conditions. All such benefits and services may be modified or cancelled without notice to you. We are not responsible or liable for any product or service not directly supplied by us.

If you have enrolled in optional credit insurance, insurance premiums are calculated separately for each Credit Plan. For "No Interest, No Payment" and "Same as Cash" Offers, insurance premiums (plus applicable taxes) accrue interest in accordance with the underlying Credit Plan and are due and payable in the same manner as payments under the Credit Plan to which they relate. For other Credit Plans (unless the promotional material or sales slip indicates otherwise), insurance premiums (plus applicable taxes) are treated as Regular Credit Plan Transactions and accrue interest in accordance with the Regular Credit Plan and are due and payable in the same manner as payments under that Credit Plan.

13. Your liability for unauthorized use of Cards

You will inform us immediately of any actual or suspected loss, theft or unauthorized use of your Card or Account number. If you report your Card lost or stolen, you will not be liable for any unauthorized transactions that occur after you notify us. You may have to pay up to a maximum of **\$50** for any amounts charged to your Account before you notify us.

14. Problems with Merchants

We are not responsible if, for any reason, your Card is not honoured. If you have problems regarding any product or service acquired through the use of your Card, you must settle the problem directly with the merchant. Even if you have a problem with a merchant, you must make at least the monthly Minimum Payment by the due date in order to keep your Account in good standing and you remain responsible for the Total Debt. We shall not be liable for any loss or damage incurred as a result of our inability to authorize or process any Transaction or for taking any other action contemplated by applicable laws.

15. Credits from merchants

If a merchant issues you a credit note, we credit it to your Account on the day we receive it. However, if we have charged you any interest as a result of the original Transaction, we will not refund this interest to you.

16. Changing your Address

You must provide us prompt notice of any change in your address, your name or other information about you.

17. Cancellation

We have the right at any time without notifying you in advance, unless required by law, to:

- cancel any Card on your Account;
- terminate any Promotional Credit Plan;
- withdraw your rights and privileges in respect of your Card and Account; and
- require the immediate return or destruction of all Cards.

You may also cancel this Agreement by telling us in writing. Upon cancellation, you are not entitled to use your Card or Account and must repay the Total Debt immediately.

We may deduct money from any other account that you have with us or any of our affiliated companies, and use it to pay the amount that you owe us, without notice to you. You must pay all legal fees and expenses that we incur to recover amounts under this Agreement, as permitted by applicable law. This Agreement remains in effect, for as long as the Total Debt remains unpaid.

The following clause applies to Quebec residents only:

“Clause required under the Consumer Protection Act.
(Clause of forfeiture of benefit of the term)

Before availing himself of this clause, the merchant must forward the consumer a notice in writing and unless he is exempted in accordance with section 69 of the General Regulation, he must forward him a statement of account.

Within 30 days following the receipt by the consumer of the notice and, where necessary, of the statement of account, the consumer may:

- (a) either remedy the fact that he is in default;
- (b) or present a motion to the court to have the terms and conditions of payment prescribed in this contract changed.

It is in the consumer's interest to refer to sections 104 to 110 of the Consumer Protection Act (R.S.Q., c. P-40.1) as well as to section 69 of the General Regulation made under that Act and, where necessary, to communicate with the Office de la protection du consommateur.”

18. Changes

We may amend this Agreement, including the interest rate (credit rate in Quebec) and fees, by notifying you at the most recent address in our records. Any such notice will be provided in accordance with applicable laws.

19. Card Ownership

Your Card belongs to us. You do not have the right to assign or transfer your rights and obligations under this Agreement, your Cards or your Account to anyone else, but your obligations shall be binding on your estate and legal representatives.

20. Assignment

We may sell, assign or transfer all or some of our rights or obligations under this Agreement, without notice to you. In connection with any sale, assignment or transfer, we may give information about you and your Account to the purchaser or transferee.

21. Severability

If any part of this Agreement is contrary to law, that part is ineffective without invalidating the rest of the Agreement.

22. Additional Provisions for Quebec Residents Only

Clause required under the Quebec *Consumer Protection Act*
(Contract extending variable credit for the use of a credit card).

For the purposes of this contract, the sole fact that the card has been issued replaces the signature of the merchant and the sole use of the card by the consumer replaces the consumer's signature.

In the event of loss or theft of a credit card, the consumer incurs no liability for a debt resulting from the use of such card by a third party after the issuer of the card has been notified of the loss or theft by telephone, telegraph, notice in writing or by any other means. Even where such notice is not given, the liability of the consumer whose credit card has been lost or stolen is limited to the sum of **\$50**.

At the end of each period, if the merchant has a claim with regard to a consumer, the merchant must furnish the latter with a statement of account mailed at least **21** days before the date on which the merchant may exact credit charges if the consumer does not discharge his entire obligation; credit charges for advances of money may start as of the date of the advance up until the date of payment.

The consumer may require the merchant to forward him, without charge, a copy of the vouchers for each of the transactions described in the statement of account. Until the consumer receives a statement of account at his address, the merchant must not exact credit charges on the unpaid balance, except on advances of money.

It is in the consumer's interest to refer to sections **29, 123, 124, 126 and 127** of the *Consumer Protection Act* (R.S.Q. c. P-**40.1**) and, where necessary, to communicate with the Office de la protection du consommateur.
